

# DIAMOND W ARENA

## 5TH ANNUAL REUNION

**FRIDAY, JUNE 18TH** will be a valuable opportunity to meet with saddlemakers and try various saddles to find one that works for you and your horse.

### HAVING TROUBLE FINDING THE RIGHT **SADDLE** FOR YOU AND YOUR HORSE?

You will be able to shop down saddle alley which will have saddle makers from all over bringing their saddles for you to try.

After finding the saddles you want to try, you will bring your horse into the arena and put it on your horse to ride around and test the fit. Try as many saddles as you like..It's a great chance to learn more from the saddle makers and find your "perfect saddle".

If you need to sell a saddle bring it and for a small fee put it our used saddle booth for others to try on their horse. Saddle makers will be able to stay set up though the weekend but all day friday will be the day to test ride saddles.
